register in foundry

1. If you have not registered your email address at ShawHospitality.com, do so prior to beginning design work in Foundry.

2. This will allow your designs to be emailed to your inbox as a PDF.

choose a pattern

1. When Foundry opens on the screen, more than 6,000 patterns are available for customization.

2. Pick a pattern to customize by clicking on the pattern or enter the pattern number in the search area.

3. The pattern will appear large on the left side of the page.

4. There are four yarn color options:

- Eco Solution Q® solids

- Eco Solution Q® barber poles

- Eco yarn dyed

- High Luster (Loop Only) yarn

5. Color Options for Print Designs

• Earth   • Berries   • Desert

• Forest   • Ocean

6. Hovering over the thumbnails will increase the design image size.

customize a pattern

1. Customize the pattern by changing the default color.

2. To change the yarn color, select the existing color tab and then choose the pom color you want to replace it with.

3. Search for pom colors by pom number in the search area. Or, choose a color from the color bank.

5. Save the design by clicking the ★ above the image. The image saves to "My Favorites" in "My Saved Designs" You can create a custom folder based on your project name by clicking "New Project"
